Questions to the team

- What is it about the goal, that has a special meaning for us?
- What should we do more as a group?
- What would be good indications, that we as a group are on the right track?

Questions to you

- Why is it important for you to work towards the goal?
- How can you contribute more on your way there?
- In the future, what would be good indications, that you are on the right track?
